Lisa and Robert

Myself and my husband held our wedding here on Saturday and we cannot thank every single member of staff enough for an amazing weekend. It was perfect from start to finish and the attention to detail was second to none. I would have no hesitation in recommending The Lucan Spa Hotel for a wedding venue, any event or overnight stay. All of our guest commented on how great the hotel and staff were. Keep up the good work we cannot wait to come back for another relaxing stay.

Choosing The Lucan Spa Hotel as our wedding venue was the best decision we've ever made. We wanted to do an outdoor ceremony and it was beautifully laid out on our day. The hotel went above all expectations when choosing a menu did everything to amuse us and our guests with the selections. All the staff made our wedding something that we'll never forget and neither will our guests.
